Be part of the action as we salute these visionaries and scholars at the MTBC’s 11th Annual Tech Titans Awards Gala, Friday, August 26, at the Hilton Anatole Hotel. The evening will include an auction, which generates STEM funds for high school and university programs that prepare students for science, technology, engineering or math degrees. For more information about the event or to reserve your table, visit www.metroplexbtc.org/techtitans.

See the action as it happens. Reserve your table today!
