4 - Did any particular aspects of this course enhance your learning?												
Return Rate		3/9 (33.33%)										
<ul style="list-style-type: none"> In my opinion, Dr. Reynolds is the best professor in the department. He is able to explain and discuss topics at all levels of understanding. The homeworks and tests were very challenging but still provided an opportunity for success with hard work and a good grasp of the material. He was always available to speak about homeworks and course topics. Dr. Reynolds does a great job of explaining the material at a good pace and helping the students visualize the material and make it intuitive. Notes and other documents uploaded on the website. 												

5 - Did any particular aspects of this course detract from your learning?												
Return Rate		2/9 (22.22%)										
<ul style="list-style-type: none"> None Maybe it is his philosophy, but the professor focused too much on things that are not important.
